

Welcome To

faded.

www.fadedinstruments.com

I'm Harmonal Binaurics.

I'm a brainwave hijacker. I use binaural beats and isochronic tones to bend your unconscious mind. I get into some serious pseudoscience - but it would be silly to write me off. Sound is powerful, and I'm actually a really intuitive and playful musical instrument. Twiddle my knobs and get to know me~

If you want to find out more about me:
